Mr. Scott Kinnamon  
Norwalk Concrete Industries  
80 Commerce Drive  
Norwalk, OH 44857

Dear Mr. Kinnamon:

In regards to the two NCI pre-cast bathroom units we purchased for our parts system, they are still providing excellent maintenance-free service.

The unit on Moore Street has been the model for a new two-story concession stand restroom for the Little League Baseball field, and a remodeling of the Peewee Football Organizations Building. The color schemes and roof design were used on both.

We also have a project for reconstructing our riverfront park and have asked Bonar Engineering to use the NCI unit there as well.

Once again, we appreciate your help.

Sincerely,

  
Randolph Turner  
Aurora Utilities Superintendent

RT/mw
